JOUQ JOURNÉES OPHTALMOLOGIQUES
UNIVERSITAIRES DE QUÉBEC
JANUARY FEBRUARY 8 and 9, 2024

Centre des congrès de Québec
900, boul. René-Lévesque Est, 2^e étage, Québec (QC) G1R 2B5

Educational grant proposal

Dear partners,

The JOUQ are pleased to announce the 53th Journées Ophtalmologiques on February 8 and 9, 2024. We are fortunate to offer a topic that is very much appreciated by the participants: "Oculoplastic". This dual-session scientific program is intended for ophthalmologists, residents, and paramedical staff (nurses, ophthalmic technicians and orthoptists). In addition, neurologists will also be invited this year.

We are proud of the quality of the proposed program and of the high-calibre speakers who will be present. This continuing medical education activity aims to directly improve the quality of patient care and is made possible by you.

Thanking you in advance for your precious support, we kindly ask you to accept, dear partners, the expression of our best regards.

JOUQ Organizing Committee

**JOURNÉES OPHTALMOLOGIQUES
UNIVERSITAIRES DE QUÉBEC**

Journées ophtalmologiques universitaires de Québec
Hôpital Saint-Sacrement - CUO
1050 Chemin Sainte-Foy, Local D1-02
Québec (Québec) Canada, G1S 4L8

In exchange for its financial contribution, the sponsor will be offered visibility depending on the grant chosen. The visibility offered will respect the Code of Ethics of the Conseil Québécois de développement professionnel continu des médecins.

The JOUQ are willing to discuss any visibility requests that are not part of this document.
